AOC-G-100, Rev. 10/03 © 2003 Administrative Office of the Courts			

NOTE: Rule 45, North Carolina Rules of Civil Procedure, Parts (c) and (d).

(c) Protection of Persons Subject to Subpoena

(1) Avoid undue burden or expense. – A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing an undue burden or expense on a person subject to the subpoena. The court shall enforce this subdivision and impose upon the party or attorney in violation of this requirement an appropriate sanction that may include compensating the person unduly burdened for lost earnings and for reasonable attorney's fees.

(2) For Production of public records or hospital medical records. – Where the subpoena commands any custodian of public records or any custodian of hospital medical records, as defined in G.S. 8-44.1, to appear for the sole purpose of producing certain records in the custodian's custody, the custodian subpoenaed may, in lieu of personal appearance, tender to the court in which the action is pending by registered or certified mail or by personal delivery, on or before the time specified in the subpoena, certified copies of the records requested together with a copy of the subpoena and an affidavit by the custodian testifying that the copies are true and correct copies and that the records were made and kept in the regular course of business, or if no such records are in the custodian's custody, an affidavit to that effect. When the copies of records are personally delivered under this subdivision, a receipt shall be obtained from the person receiving the records. Any original or certified copy of records or an affidavit delivered according to the provisions of this subdivision, unless otherwise objectionable, shall be admissible in any action or proceeding without further certification or authentication. Copies of hospital medical records tendered under this subdivision shall not be open to inspection or copies by any person, except to the parties to the case or proceedings and their attorneys in depositions, until ordered published by the judge at the time of the hearing or trial. Nothing contained herein shall be construed to waive the physician-patient privilege or to require any privileged communication under law to be disclosed.

(3) Written objection to subpoena. – Subject to subsection (d) of this rule, a person commanded to appear at a deposition or to produce and permit the inspection and copying of records may, within 10 days after service of the subpoena or before the time specified for compliance if the time is less than 10 days after service, serve upon the party or attorney designated in the subpoena written objection to the subpoena, setting forth the specific grounds for the objection. The written objection shall comply with the requirements of Rule 11. Each of the following grounds may be sufficient for objecting to a subpoena:

- a. The subpoena fails to allow reasonable time for compliance.
- b. The subpoena requires disclosure of privileged or other protected matter and no exception or waiver applies to the privilege or protection.
- c. The subpoena subjects a person to an undue burden.
- d. The subpoena is otherwise unreasonable or oppressive.
- e. The subpoena is procedurally defective.

(4) Order of court required to override objection. – If objection is made under subdivision (3) of this subsection, the party serving the subpoena shall not be entitled to compel the subpoenaed person's appearance at a deposition or to inspect and copy materials to which

an objection has been made except pursuant to an order of the court. If objection is made, the party serving the subpoena may, upon notice to the subpoenaed person, move at any time for an order to compel the subpoenaed person's appearance at the deposition or the production of the materials designated in the subpoena. The motion shall be filed in the court in the county in which the deposition or production of materials is to occur.

(5) Motion to quash or modify subpoena. – A person commanded to appear at a trial, hearing, deposition, or to produce and permit the inspection and copying of records, books, papers, documents, or other tangible things, within 10 days after service of the subpoena or before the time specified for compliance if the time is less than 10 days after service, may file a motion to quash or modify the subpoena. The court shall quash or modify the subpoena if the subpoenaed person demonstrates the existence of any of the reasons set forth in subdivision (3) of this subsection. The motion shall be filed in the court in the county in which the trial, hearing, deposition, or production of materials is to occur.

(6) Order to compel; expenses to comply with subpoena. – When a court enters an order compelling a deposition or the production of records, books, papers, documents, or other tangible things, the order shall protect any person who is not a party or an agent of a party from significant expense resulting from complying with the subpoena. The court may order that the person to whom the subpoena is addressed will be reasonably compensated for the cost of producing the records, books, papers, documents, or tangible things specified in the subpoena.

(7) Trade secrets, confidential information. – When a subpoena requires disclosure of a trade secret or other confidential research, development, or commercial information, a court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena, or when the party on whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot otherwise be met without undue hardship, the court may order a person to make an appearance or produce the materials only on specified conditions stated in the order.

(8) Order to quash; expenses. – When a court enters an order quashing or modifying the subpoena, the court may order the party on whose behalf the subpoena is issued to pay all or part of the subpoenaed person's reasonable expenses including attorney's fees.

(d) Duties in Responding to Subpoena

(1) Form of response. – A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label the documents to correspond with the categories in the request.

(2) Specificity of objection. – When information subject to a subpoena is withheld on the objection that is subject to protection as trial preparation materials, or that it is otherwise privileged, the objection shall be made with specificity and shall be supported by a description of the nature of the communications, records, books, papers, documents, or other tangible things not produced, sufficient for the requesting party to contest the objection.

AOC-G-100, Rev. 10/03 © 2003 Administrative Office of the Courts			

NOTE: Rule 45, North Carolina Rules of Civil Procedure, Parts (c) and (d).

(c) Protection of Persons Subject to Subpoena

(1) Avoid undue burden or expense. – A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing an undue burden or expense on a person subject to the subpoena. The court shall enforce this subdivision and impose upon the party or attorney in violation of this requirement an appropriate sanction that may include compensating the person unduly burdened for lost earnings and for reasonable attorney's fees.

(2) For Production of public records or hospital medical records. – Where the subpoena commands any custodian of public records or any custodian of hospital medical records, as defined in G.S. 8-44.1, to appear for the sole purpose of producing certain records in the custodian's custody, the custodian subpoenaed may, in lieu of personal appearance, tender to the court in which the action is pending by registered or certified mail or by personal delivery, on or before the time specified in the subpoena, certified copies of the records requested together with a copy of the subpoena and an affidavit by the custodian testifying that the copies are true and correct copies and that the records were made and kept in the regular course of business, or if no such records are in the custodian's custody, an affidavit to that effect. When the copies of records are personally delivered under this subdivision, a receipt shall be obtained from the person receiving the records. Any original or certified copy of records or an affidavit delivered according to the provisions of this subdivision, unless otherwise objectionable, shall be admissible in any action or proceeding without further certification or authentication. Copies of hospital medical records tendered under this subdivision shall not be open to inspection or copies by any person, except to the parties to the case or proceedings and their attorneys in depositions, until ordered published by the judge at the time of the hearing or trial. Nothing contained herein shall be construed to waive the physician-patient privilege or to require any privileged communication under law to be disclosed.

(3) Written objection to subpoena. – Subject to subsection (d) of this rule, a person commanded to appear at a deposition or to produce and permit the inspection and copying of records may, within 10 days after service of the subpoena or before the time specified for compliance if the time is less than 10 days after service, serve upon the party or attorney designated in the subpoena written objection to the subpoena, setting forth the specific grounds for the objection. The written objection shall comply with the requirements of Rule 11. Each of the following grounds may be sufficient for objecting to a subpoena:

- a. The subpoena fails to allow reasonable time for compliance.
- b. The subpoena requires disclosure of privileged or other protected matter and no exception or waiver applies to the privilege or protection.
- c. The subpoena subjects a person to an undue burden.
- d. The subpoena is otherwise unreasonable or oppressive.
- e. The subpoena is procedurally defective.

(4) Order of court required to override objection. – If objection is made under subdivision (3) of this subsection, the party serving the subpoena shall not be entitled to compel the subpoenaed person's appearance at a deposition or to inspect and copy materials to which

an objection has been made except pursuant to an order of the court. If objection is made, the party serving the subpoena may, upon notice to the subpoenaed person, move at any time for an order to compel the subpoenaed person's appearance at the deposition or the production of the materials designated in the subpoena. The motion shall be filed in the court in the county in which the deposition or production of materials is to occur.

(5) Motion to quash or modify subpoena. – A person commanded to appear at a trial, hearing, deposition, or to produce and permit the inspection and copying of records, books, papers, documents, or other tangible things, within 10 days after service of the subpoena or before the time specified for compliance if the time is less than 10 days after service, may file a motion to quash or modify the subpoena. The court shall quash or modify the subpoena if the subpoenaed person demonstrates the existence of any of the reasons set forth in subdivision (3) of this subsection. The motion shall be filed in the court in the county in which the trial, hearing, deposition, or production of materials is to occur.

(6) Order to compel; expenses to comply with subpoena. – When a court enters an order compelling a deposition or the production of records, books, papers, documents, or other tangible things, the order shall protect any person who is not a party or an agent of a party from significant expense resulting from complying with the subpoena. The court may order that the person to whom the subpoena is addressed will be reasonably compensated for the cost of producing the records, books, papers, documents, or tangible things specified in the subpoena.

(7) Trade secrets, confidential information. – When a subpoena requires disclosure of a trade secret or other confidential research, development, or commercial information, a court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena, or when the party on whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot otherwise be met without undue hardship, the court may order a person to make an appearance or produce the materials only on specified conditions stated in the order.

(8) Order to quash; expenses. – When a court enters an order quashing or modifying the subpoena, the court may order the party on whose behalf the subpoena is issued to pay all or part of the subpoenaed person's reasonable expenses including attorney's fees.

(d) Duties in Responding to Subpoena

(1) Form of response. – A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label the documents to correspond with the categories in the request.

(2) Specificity of objection. – When information subject to a subpoena is withheld on the objection that is subject to protection as trial preparation materials, or that it is otherwise privileged, the objection shall be made with specificity and shall be supported by a description of the nature of the communications, records, books, papers, documents, or other tangible things not produced, sufficient for the requesting party to contest the objection.

AOC-G-100, Rev. 10/03 © 2003 Administrative Office of the Courts			

NOTE: Rule 45, North Carolina Rules of Civil Procedure, Parts (c) and (d).

(c) Protection of Persons Subject to Subpoena

(1) Avoid undue burden or expense. – A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing an undue burden or expense on a person subject to the subpoena. The court shall enforce this subdivision and impose upon the party or attorney in violation of this requirement an appropriate sanction that may include compensating the person unduly burdened for lost earnings and for reasonable attorney's fees.

(2) For Production of public records or hospital medical records. – Where the subpoena commands any custodian of public records or any custodian of hospital medical records, as defined in G.S. 8-44.1, to appear for the sole purpose of producing certain records in the custodian's custody, the custodian subpoenaed may, in lieu of personal appearance, tender to the court in which the action is pending by registered or certified mail or by personal delivery, on or before the time specified in the subpoena, certified copies of the records requested together with a copy of the subpoena and an affidavit by the custodian testifying that the copies are true and correct copies and that the records were made and kept in the regular course of business, or if no such records are in the custodian's custody, an affidavit to that effect. When the copies of records are personally delivered under this subdivision, a receipt shall be obtained from the person receiving the records. Any original or certified copy of records or an affidavit delivered according to the provisions of this subdivision, unless otherwise objectionable, shall be admissible in any action or proceeding without further certification or authentication. Copies of hospital medical records tendered under this subdivision shall not be open to inspection or copies by any person, except to the parties to the case or proceedings and their attorneys in depositions, until ordered published by the judge at the time of the hearing or trial. Nothing contained herein shall be construed to waive the physician-patient privilege or to require any privileged communication under law to be disclosed.

(3) Written objection to subpoena. – Subject to subsection (d) of this rule, a person commanded to appear at a deposition or to produce and permit the inspection and copying of records may, within 10 days after service of the subpoena or before the time specified for compliance if the time is less than 10 days after service, serve upon the party or attorney designated in the subpoena written objection to the subpoena, setting forth the specific grounds for the objection. The written objection shall comply with the requirements of Rule 11. Each of the following grounds may be sufficient for objecting to a subpoena:

- a. The subpoena fails to allow reasonable time for compliance.
- b. The subpoena requires disclosure of privileged or other protected matter and no exception or waiver applies to the privilege or protection.
- c. The subpoena subjects a person to an undue burden.
- d. The subpoena is otherwise unreasonable or oppressive.
- e. The subpoena is procedurally defective.

(4) Order of court required to override objection. – If objection is made under subdivision (3) of this subsection, the party serving the subpoena shall not be entitled to compel the subpoenaed person's appearance at a deposition or to inspect and copy materials to which

an objection has been made except pursuant to an order of the court. If objection is made, the party serving the subpoena may, upon notice to the subpoenaed person, move at any time for an order to compel the subpoenaed person's appearance at the deposition or the production of the materials designated in the subpoena. The motion shall be filed in the court in the county in which the deposition or production of materials is to occur.

(5) Motion to quash or modify subpoena. – A person commanded to appear at a trial, hearing, deposition, or to produce and permit the inspection and copying of records, books, papers, documents, or other tangible things, within 10 days after service of the subpoena or before the time specified for compliance if the time is less than 10 days after service, may file a motion to quash or modify the subpoena. The court shall quash or modify the subpoena if the subpoenaed person demonstrates the existence of any of the reasons set forth in subdivision (3) of this subsection. The motion shall be filed in the court in the county in which the trial, hearing, deposition, or production of materials is to occur.

(6) Order to compel; expenses to comply with subpoena. – When a court enters an order compelling a deposition or the production of records, books, papers, documents, or other tangible things, the order shall protect any person who is not a party or an agent of a party from significant expense resulting from complying with the subpoena. The court may order that the person to whom the subpoena is addressed will be reasonably compensated for the cost of producing the records, books, papers, documents, or tangible things specified in the subpoena.

(7) Trade secrets, confidential information. – When a subpoena requires disclosure of a trade secret or other confidential research, development, or commercial information, a court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena, or when the party on whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot otherwise be met without undue hardship, the court may order a person to make an appearance or produce the materials only on specified conditions stated in the order.

(8) Order to quash; expenses. – When a court enters an order quashing or modifying the subpoena, the court may order the party on whose behalf the subpoena is issued to pay all or part of the subpoenaed person's reasonable expenses including attorney's fees.

(d) Duties in Responding to Subpoena

(1) Form of response. – A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label the documents to correspond with the categories in the request.

(2) Specificity of objection. – When information subject to a subpoena is withheld on the objection that is subject to protection as trial preparation materials, or that it is otherwise privileged, the objection shall be made with specificity and shall be supported by a description of the nature of the communications, records, books, papers, documents, or other tangible things not produced, sufficient for the requesting party to contest the objection.

NOTE: Rule 45, North Carolina Rules of Civil Procedure, Parts (c) and (d).

(c) Protection of Persons Subject to Subpoena

(1) **Avoid undue burden or expense.** – A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing an undue burden or expense on a person subject to the subpoena. The court shall enforce this subdivision and impose upon the party or attorney in violation of this requirement an appropriate sanction that may include compensating the person unduly burdened for lost earnings and for reasonable attorney's fees.

(2) **For Production of public records or hospital medical records.** – Where the subpoena commands any custodian of public records or any custodian of hospital medical records, as defined in G.S. 8-44.1, to appear for the sole purpose of producing certain records in the custodian's custody, the custodian subpoenaed may, in lieu of personal appearance, tender to the court in which the action is pending by registered or certified mail or by personal delivery, on or before the time specified in the subpoena, certified copies of the records requested together with a copy of the subpoena and an affidavit by the custodian testifying that the copies are true and correct copies and that the records were made and kept in the regular course of business, or if no such records are in the custodian's custody, an affidavit to that effect. When the copies of records are personally delivered under this subdivision, a receipt shall be obtained from the person receiving the records. Any original or certified copy of records or an affidavit delivered according to the provisions of this subdivision, unless otherwise objectionable, shall be admissible in any action or proceeding without further certification or authentication. Copies of hospital medical records tendered under this subdivision shall not be open to inspection or copies by any person, except to the parties to the case or proceedings and their attorneys in depositions, until ordered published by the judge at the time of the hearing or trial. Nothing contained herein shall be construed to waive the physician-patient privilege or to require any privileged communication under law to be disclosed.

(3) **Written objection to subpoena.** – Subject to subsection (d) of this rule, a person commanded to appear at a deposition or to produce and permit the inspection and copying of records may, within 10 days after service of the subpoena or before the time specified for compliance if the time is less than 10 days after service, serve upon the party or attorney designated in the subpoena written objection to the subpoena, setting forth the specific grounds for the objection. The written objection shall comply with the requirements of Rule 11. Each of the following grounds may be sufficient for objecting to a subpoena:

- a. The subpoena fails to allow reasonable time for compliance.
- b. The subpoena requires disclosure of privileged or other protected matter and no exception or waiver applies to the privilege or protection.
- c. The subpoena subjects a person to an undue burden.
- d. The subpoena is otherwise unreasonable or oppressive.
- e. The subpoena is procedurally defective.

(4) **Order of court required to override objection.** – If objection is made under subdivision (3) of this subsection, the party serving the subpoena shall not be entitled to compel the subpoenaed person's appearance at a deposition or to inspect and copy materials to which

an objection has been made, except pursuant to an order of the court. If objection is made, the party serving the subpoena may, upon notice to the subpoenaed person, move at any time for an order to compel the subpoenaed person's appearance at the deposition or the production of the materials designated in the subpoena. The motion shall be filed in the court in the county in which the deposition or production of materials is to occur.

(5) **Motion to quash or modify subpoena.** – A person commanded to appear at a trial, hearing, deposition, or to produce and permit the inspection and copying of records, books, papers, documents, or other tangible things, within 10 days after service of the subpoena or before the time specified for compliance if the time is less than 10 days after service, may file a motion to quash or modify the subpoena. The court shall quash or modify the subpoena if the subpoenaed person demonstrates the existence of any of the reasons set forth in subdivision (3) of this subsection. The motion shall be filed in the court in the county in which the trial, hearing, deposition, or production of materials is to occur.

(6) **Order to compel; expenses to comply with subpoena.** – When a court enters an order compelling a deposition or the production of records, books, papers, documents, or other tangible things, the order shall protect any person who is not a party or an agent of a party from significant expense resulting from complying with the subpoena. The court may order that the person to whom the subpoena is addressed will be reasonably compensated for the cost of producing the records, books, papers, documents, or tangible things specified in the subpoena.

(7) **Trade secrets, confidential information.** – When a subpoena requires disclosure of a trade secret or other confidential research, development, or commercial information, a court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena, or when the party on whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot otherwise be met without undue hardship, the court may order a person to make an appearance or produce the materials only on specified conditions stated in the order.

(8) **Order to quash; expenses.** – When a court enters an order quashing or modifying the subpoena, the court may order the party on whose behalf the subpoena is issued to pay all or part of the subpoenaed person's reasonable expenses including attorney's fees.

(d) Duties in Responding to Subpoena

(1) **Form of response.** – A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label the documents to correspond with the categories in the request.

(2) **Specificity of objection.** – When information subject to a subpoena is withheld on the objection that is subject to protection as trial preparation materials, or that it is otherwise privileged, the objection shall be made with specificity and shall be supported by a description of the nature of the communications, records, books, papers, documents, or other tangible things not produced, sufficient for the requesting party to contest the objection.
