Attachment A

Continuation page attached to search warrant application of SA B.S. Fleming, NC SBI, in support of a search warrant for William Scott Morris:

The Affiant swears to the following facts to establish probable cause for the issuance of a search warrant:

I have been employed with the North Carolina State Bureau of Investigation (NC SBI) for the past 4 years. I attended the twenty six week agent academy and have since attended several training classes and seminars dealing with the enforcement of violent crimes as well as the Controlled Substances Act. Since being employed with the NC SBI I have investigated violent crimes as well as narcotics-related crimes. I have prepared search and other affidavits, executed search and arrest warrants, seized evidence, assisted various North Carolina Districts Attorney's offices in case preparation, dealt with informants and conducted surveillance. I have participated in numerous investigations that resulted in successful prosecutions. I have questioned suspects, interviewed witnesses, debriefed informants, have conferred with other Agents and Prosecuting Attorneys, and as a result, have gained considerable experience.

"PROBABLE CAUSE"

At approximately 11:19 a.m. on September 4, 2008, a 911 caller reported that the house of Kelly and William Scott Morris, located at 3220 Tump Wilkins Road, Stem, NC, was on fire. Scott Morris and Kelly Morris were married and lived at that residence together.

An initial fire scene examination indicated the cause of the fire was arson.

To the best of your affiant's knowledge, Scott was the last person to see Kelly alive on Wednesday, September 3, 2008. Kelly never reported to work on the morning of Thursday, September 4, 2008.

Between 4:30 p.m. and 5:00 p.m. on the afternoon of Thursday, September 4, 2008, the vehicle last driven by Kelly Morris was located on Glasgow Road in the Highlands of Prestwick subdivision, which is approximately 1 mile from her residence. Morris' cell phones, pocketbook and other personal belongings were left inside her vehicle.

When interviewed, Scott said he last saw Kelly on the evening of September 3, 2008, at approximately 9:30 p.m. when Kelly went outside looking for a lost dog. After that time, Scott took a shower and went to bed in a separate room from the room Kelly slept in. Scott said he slept in a different room that night because he did not want to be awakened by Morris when she returned from looking for the dog. Family and friends, however, indicated Scott and Kelly slept separately because of marital problems.

Call detail and cell site information were obtained on September 10, 2008, from Scott's cell phone via a court order signed by Superior Court Judge A. Leon Stanback.

The call records indicated Scott called the residence of his mother and father, Carolyn and James "Jimmy" Morris, on Church Street in Creedmoor, NC, at 9:45 p.m. on the evening of September 3, 2008. Their number was

Also according to the records, at 10:59 p.m. Scott received a call from which was the work cell phone of his father, Jimmy Morris.

The call records indicated Scott made an outbound call to p.m. Scott said in his initial statement to law enforcement that he showered and went to bed around or shortly after 9:30 p.m. At no time in any interview did Scott indicate he was awake after that time or made or received any telephone calls. Specifically, Scott said he slept throughout the night.

In an interview with Jimmy Morris on September 12, 2008, Jimmy Morris said Scott called him around 10:00 p.m. on Wednesday, September 3, 2008, and asked him to come to Scott's residence. Scott wanted Jimmy to sit with the Morris' two children while Scott went to look for Kelly, because he thought Kelly was cheating on him. Scott made no mention of a missing dog, as he had made to this affiant in his initial statement.

Jimmy said he went to the Morris residence where he remained while Scott left, driving Scott's green 1996 Toyota pickup. Jimmy said Scott had never called him and asked him to do anything like that prior to the night of September 3, 2008.

The cell site records indicated Scott's cell phone utilized a Creedmoor, NC, cell tower during a 10:59 p.m. incoming call from Jimmy; further indicating Scott was not at his residence at that time.

Scott said in his initial statement with your affiant that around 5:45 a.m. on September 4, 2008, he was awakened by a tow truck driver who called wanting to pick up a vehicle from Scott's storage lot in Butner. Scott owned a wrecker service business named Scott's Towing.

According to Scott, the driver, later identified as Tim Rice, wanted to meet Scott at 6:00 a.m. at Scott's storage lot. Scott told Tim he could not meet him until around 8:00 a.m.

During an interview with Tim, however, Tim indicated he had previously agreed to meet Scott at 6:00 a.m. and Scott pushed their meeting time back to 8:00 a.m.

Scott said after the 5:45 a.m. phone call, he waited for Morris to come in and wake him up like she usually did, but Morris never did. Scott fell back asleep after a little while and eventually woke up around 6:30 a.m., then got the two children ready for school and drove them in his rollback to the BP Station located at 101 South Main Street in Creedmoor where Scott worked as a mechanic and also temporarily stored his personally owned Geo Tracker. Scott took the children to Mt. Energy Elementary School in the Tracker and left the rollback at the gas station while doing so. Scott then returned to the BP station, put some gas in the Tracker, and went to meet Tim at Scott's storage lot in Butner located on Wilkins Road.

According to Tim, Scott arrived at the lot between 8:05 and 8:15 a.m. and stayed just two or three minutes before leaving and asking Tim to lock the gate. Video surveillance footage at Pallet 1 in Butner, NC, showed Scott leaving the area of Scott's storage lot at approximately 8:14 a.m.

Scott said he left the storage lot and went straight to Hardee's, located at 2568 West Lyon Station Road, Butner. Scott indicated he traveled down C Street in Butner to

Hardee's, then left Hardee's and went "straight" to the BP station in Creedmoor, taking Highway 56 to Main Street.

Scott, however, did not arrive at Hardee's for approximately 55 minutes. At 9:09 a.m. video footage from the Shell gas station next door to the Hardee's showed what appeared to be a Geo Tracker traveling on West Lyon Station Road and coming from the direction of Scott's residence. Scott would not have approached Hardee's from that direction had he traveled the way he stated from his storage lot.

At 9:10 a.m. Hardee's video surveillance footage showed Scott entering the restaurant. The footage showed Scott's Geo Tracker leaving the parking lot at 9:15 a.m. and turning right onto West Lyon Station Road, which was the direction of Scott's residence and not the direction Scott indicated he traveled to get to his workplace at the BP Station.

Further, Kelly's daughter, was interviewed and said when she and her sister, before school, their two dogs were locked in dog crates inside the house, but when firefighters arrived, the dogs were outside.

Interviews with some of Kelly's friends and family indicated Kelly and Scott had marital problems, had separated in the past, and discussed divorce. In the past, Scott had punched holes in the wall during arguments and once threw a computer out of a window. Kelly had never left home before and no witness was interviewed who believed Kelly would ever leave her children.

As of November 18, 2008, none of Kelly's family or friends had seen or spoken with her since the evening of September 3, 2008.

No evidence has been located that indicates Kelly's disappearance was voluntary.

This affiant is aware, based upon his training and experience, that persons who commit crimes sometime leave physical evidence of the commission of those crimes. Certain samples are needed in order for evidence to be analyzed and compared.

"TO BE SEARCHED"

The person in question is William Scott Morris, a white male with a birth date of 05-21-1974. To the best of your affiant's knowledge, Morris currently resides at 113 Church Street, Creedmoor, NC.

"ITEMS TO BE SEIZED"

This affiant is requesting a search warrant based on the above probable cause to search William Scott Morris to obtain blood, saliva and hair, including head hair and pubic hair.
