4/30/2010 23:17 Ok we are moving a little faster than I had planned.

4/30/2010 23:22 Now you are slow (=|

4/30/2010 23:26 I move slow on issues that could cause problems. I over evaluate. But look it seems to work for me.

4/30/2010 23:28 Ok question-

4/30/2010 23:29 And I would only ask you

4/30/2010 23:30 Do you think I'm effective?

4/30/2010 23:32 I want your input but only when it is us.

Believe it or not I do listen to you. You may think I blow you off but I pay very close attn to you. I may not do what you

4/30/2010 23:34 suggest but I do pay attn to it.

4/30/2010 23:34 Sometimes I do.

4/30/2010 23:35 P--- really???

4/30/2010 23:36 Dang you just don't have any idea at all what goes on in my head.

4/30/2010 23:38 WTF.

4/30/2010 23:38 My phone is getting mad. >:O

4/30/2010 23:41 I so value what you say and your input. You are so bright I would be stupid to ignore it.

4/30/2010 23:44 You are the only one now in my current job that knows me. I make small talk with others but you are it.

4/30/2010 23:46 I have always been like that I just don't get tight with many people.

But now as the Major I have to be careful not to show that to others. That is hard because I really like you so therefore I like

4/30/2010 23:48 being there.

4/30/2010 23:49 Dang this is killing me

4/30/2010 23:49 <3

4/30/2010 23:55 You are behind. Lol

4/30/2010 23:57 Just kidding we are actually close.
