Narrative he said " he had white hands, yeah wh	ite." I asked him where	he was and he said he	was outside
sleeping in the truck." I sleep in the	e truck" I ws walking u	p the drive and up to t	the door of 116
Shearin Court and when I went in I sa	w the victim, Rhonda Ma	clean, sitting crouched	down just
inside the door on the right covered	in blood. I asked her w	hat happened and she sa	aid " I've been
hit and my daughter is involved, my d	aughter's involved, my	daughter's involved. I	've got 50
thousand dollars In a ? Bank envelope	and I heard my daughte	er say 'shes dead the mo	oney's upstairs
come on hurry lets go. ' and then her	and someone else steppe	ed over me." I then cal.	led for rescue to
proceed on and had officer Phillips t	ake the daughter who wa	s outside on the steps	and get a
statement from her, and would not let	in the house.	I then asked one of the	e residents of
116, the Grandmother, who was he,	and she said he "s	stays here sometimes" a	nd I said he
sleeps in the truck and she said "yes	they let him sleep out	there." I then asked	Rhonda if she had
any allergies and if she had any heal	th problems and to both	n she said no and start	ed repeating what
she had told me before, and everytime	she spoke blood would	pour out of both nostr	ils and her mouth
and here speech was slurred but she w	as still talking very	clear, Saw the gunshot	wound to her
lower right cheek and it had gounpowd	er residue around it.	The gunpowder made a ci	rice a little
bigger than 'a nickle but smaller than			
little finger. I did not see an exit	wound and she was a ve	ry gray in color and wa	s losing a lot of
blood. When Paramedic Dan arrived I t	old him what I knew and	d he began Working on t	he victim. She was
still saying what she had told me and	l said" her daughter is	on probation and is go	ing to juvie, and
she has been sneaking boys in the hou	use at night and her pro	obation officer had see	n her today and
she was going to juvie and I will not	let her have a cell p	hone, and I was up list	ening for her and
I heard someone come in so I went dow	n to see who and when	I got downstairs I saw	a man and I asked
her what was she doing and someone hi	t me in the head with	the pole from behind my	sliding door and
I went down and was choking on blood	and was bleeding profu	sly and she said 'she's	dead the money
is up here come on hurry' and she and	i someone else walked o	ver me and I was scream	ing for help and
they just left me in the blood and I			
for help and was banging on the door	." I had asked on the r	adio if anyone respondi	ng had a recorder
because I though the victim was going	g to die. Officer phill	ips brought me a cell [	none and i
recorded some of what she was saying	while the paramedics t	ended to her. They got	ner on the
stretcher and out to the truck. I he	lped carry some of the	paramedics stuff out as	id when I got to
deputy Barrett I told him to get in	the truck and do not le	ave her until they put	ner in the
helicopter and he grabbed a note boo	k and started writing d	own everything she said	nd compone to help
Deputy Joyner a size up and also saw	Sgt. Collins, FCSO.1 t	nen began trying to in	diana T think

Narrative the floor near the closet where the v:	ictim must have been l	aying. I did not enter	the room and did
not go upstairs or touch anything. One	ce I got heather and t	he child out and safe I	went and got
some crime scene tape from Chief Joyne	er and put some up at	the bottom of the stair:	and at the back
gate to the back yard on the left side	e of the house in fron	t of the vehicles. I the	en helped Chief
Joyner tape off the truck Shannon was	in. I also was consta	ntly being told from ne	ighbors
miscellaneous information and I was pa	assing it on to invest	igators. I called for F	ire Department
for lighting because of how dark the	scene was. I then had	officer Phillips stand l	oy on the front
porch of the victims house to keep it	secure until the SBI	arrived. I also started	a Crime scene
log. As it got Light I helped the Fire	e department get relea	sed and moved my car in	front of the
drive of Shearin Court, and contin	nued with the log. Whe	n the family members ar	rived they were
standing by there car so I made contact	ct with them and intro	duced them to Captain S	mith to answer
their questions. After 10 am there was	s a lot of Sheriffs de	partment investigators	that had arrived
and was huddled up in the road so I a	sked Captain Smith if	someone could relieve m	e. He said they
would be through in about two minutes	. After about 15 minut	es one of them began wa	lking around the
crime scene. About 15 more minutes s	everal more investigat	ors showed up and Capta	in Smith saw me
and started toward me and I met him a	nd gave him the log an	d left.	
On Friday August 17th, 2012 around 4:	30 pm, ame	in to talk to me about	what happen and

was scared to tell anyone, and that t	he kid had heard them,	and Shannon,	planning this for
a couple of weeks. He said that	had been giving Sh	annon pills, oxycontin,	and got him
hooked. Then she started giving him o	ther pills and money,	200 dollars here and 30	O dollars there
and also having a sexual relationship	with him. She was als	o sneaking him in her h	ouse at night and
then when he wanted more pills she to	ld him he would have t	o earn them. She made h	im go to walmart
and gave him \$175 dollars to get her	a cell phone and then	\$220 dollars to get her	another phone
because her mom would not let her hav	e a phone. There is te	exts on the phone about	what they were
going to do and about the pills and m

about what they were going to do and			
There is suppose to be numbers on the	phone from people in	Franklinton that will d	o stuff like
that. The witness heard them discussi	ng that she was going	to let Shannon in the h	ouse and he would
kill Rhonda , the mother, in her slee	p, and would	give Shannon \$3 thousan	d dollars and he
would use her gun to do it, a 22 cal	rifle.and they would s	sy it was a home invasio	n or they would
blame it on the neighbor. She had als	o been telling another	neighbor that her mom	was abusing her
and they discussed	and saying it was self	defense. Shannon had a	pproached someone
in the neighborhood about needing a g	un before this weekend	l, and approaching anoth	er boy about what
to say if the law was asking about wh	ere he was and to say	Shannon had stayed at h	is house all
night. Shannon had also been practici	ng and timing how long	g it would take him to g	et to an
abandoned house in his neighborhood,	on his skateboard and	d on the night of the sh	ooting he was not
in the truck when the victim had got	to the door and he was	s sweating and had throw	n his skate board
