6/27/11

→ Your Honor, We have made some progress, however the current 8-4 ^{NG-6} situation that we find ourselves in leads us to believe that we will make no further headway in this matter.

We find ourselves deadlocked and at this time the ~~controversy~~ ^{of the} decisions of the parties that feel the defendant ~~is~~ either guilty or not guilty will not change.

We are deadlocked.

Thank you
